Joachim Limberg has many years of experience in managing companies in the manufacturing, retail and service sectors. He initially worked as managing partner of a medium-sized production company. From 1995 to 2018 he then held various executive board positions within the thyssenkrupp Group. This included several years abroad in the USA and Hong Kong to build up and expand business in the regions. From 2009 to 2018 he was Executive Board Chairman of the Materials Services business area with sales of €16 billion. During this time he also gained extensive experience in managing and working with supervisory and advisory boards. Joachim Limberg is a proven expert in supply chain management and logistics. Since 2019, he has been active on various supervisory boards and for private equity.
